

## **Innovation in Diabetes Research Grant**

This award is aimed at early to mid-career researchers. Applicants should have no more than seven years of postdoctoral experience (career breaks may be taken into consideration on a case-to-case basis).

### **Application Guide**

**Before completing the Application Form and the Digital Signature Page, please read this Application Guide. Please ensure that you provide all the requested information and adhere to the word limit. Failure to comply will automatically lead to the rejection of your application.**

In order to complete the application, you will need to download adobe acrobat reader which you can find here: <https://get.adobe.com/reader/>

## **DWS Innovation in Diabetes Research Grant**

Diabetes Wellness Sverige invites the submission of research projects for funding in the field of diabetes. The Foundation is actively seeking research projects in Sweden which in the long term can lead to improved treatment methods and potentially a working remedy for people living with diabetes.

- Maximum award value of 200 000 SEK
- Research duration of up to 1 year. A no-cost extension (with justification) may be considered.
- Applications can be basic or clinical research in any area of diabetes including causes, complications, treatment and prevention.
- The award is aimed at early to mid-career researchers, with no more than seven years of postdoctoral experience. Career breaks may be taken into consideration on a case-to-case basis.
- Applications will only be considered from researchers working in Swedish research institutions.

## Grant Submission

- Application details are advertised on the Diabetes Wellness Sverige website, combined with invitations by email to previous applicants:  
<https://www.diabeteswellness.se/forskning/sok-forskningsanslag/>
- The application form should be downloaded from the Diabetes Wellness Sverige website <https://www.diabeteswellness.se/forskning/sok-forskningsanslag/>
- All applications should be completed in **English**.
- Please ensure all sections are completed before submission. Do not leave any sections blank, if necessary, indicate 'not applicable'.
- Please ensure all attachments are included before submission.
- All applications must be received by the advertised deadline date. No extenuating circumstances will be considered.
